1 Upper Dn.Clerk)
1 Lower -do-)
5 Peons)
1 Lower Division Clerk)
1 Draftsman III Grade) for Division Office.

7172

The posts have been utilised from different dates and as such the sanction therefore also expires on different dates (vide para 1 of G.O.No.3504 Health dated 9-10-50. The Sanitary Engineer has stated that the above scheme will be in progress for some more years and has proposed the continuance of the entire staff till 30-9-51, the date upto which the sanction for the continuance of the entire staff of the Reorganised Branch sanctioned in G.O.No.3504 Health dated 9-10-50 exists, further continuance being left to be applied for along with the general proposals.

3. I agree with the Sanitary Engineer and recommend his proposal under reference for the sanction of Government.

4. As the staff of one Lower Division Clerk and one Draftsman III Grade, is working in the Coimbatore Division Office which is stationed at Ooty sanctions to the payment of hill allowance has been sought for by the Sanitary Engineer. This is also supported. The question of shifting the Head Quarters of the Public Health Division, Coimbatore from Ooty to Coimbatore is under consideredation separately.

I request early orders of Government.

****

The sanction accorded in the G.O. quoted above sanctioning the Mangalore Sub-Division, (Public Health) was utilised on the dates quoted against each post, as reported by the Executive Engineer, (PH) Coimbatore Division, in his No. 50 SE/EC/42-3 dated 22-1-1951 (Copy enclosed).

The Assistant Engineer, joined duty on 6-7-50 F.N and the work has been in full swing. For the Mangalore Water Supply Scheme the construction of Head Works has been started and the work of forming the approach road it will be taken up soon. Work regarding the economical and suitable alignment of pumping main and reservoirs are under scrutiny.

So far as Calicut Water Supply Scheme is concerned, which is also under the same Assistant Engineer, (PH) the erection of pumps is in progress and details for extensions of important branch mains are under preparation in consultation with the local authorities. At Cochin, work relating to extension of 25 public fountains has been taken up and pipes indented for are being received.

As the above works will be in progress for some more years, I request that sanction for the continuance of the staff upto 30-9-51 A.N. the date on which sanction for the continuance of the entire staff of the branch sanctioned in G.O. 2504 ii dated 5-10-1950 would expire. Further proposals for the continuance of the Sub-Division will be merged along with the proposals for the entire Sanitary Engineering Branch (Reorganised staff).
